Michiko Yurko

The image displays three systems of musical notation on a treble clef staff, illustrating various intervals and scales. Each interval or scale is represented by colored dots on the staff lines, with a label below it.

System 1:

- (m3): A blue dot on the first line and a yellow dot on the second space.
- (M2): A blue dot on the first line and a blue dot on the second line.
- (Major triad): A red dot on the first space, a yellow dot on the second space, and a blue dot on the second line.
- (Major scale): A red dot on the first space, an orange dot on the second space, a yellow dot on the second space, a green dot on the third line, a blue dot on the third line, a purple dot on the third space, and a red dot on the fourth space.

System 2:

- (M2): A purple dot on the first space and a blue dot on the second line.
- (M3): A blue dot on the second line and a green dot on the second space.
- (P4): A yellow dot on the second space and an orange dot on the third line.
- (P5): A red dot on the first space and a red dot on the second space.
- (M6): A red dot on the second space and a blue dot on the third line.
- (M7): A red dot on the second space and a purple dot on the third space.
- (P8): A red dot on the second space and a red dot on the third space.
- (turnaround): A red dot on the third space, an orange dot on the third space, a red dot on the third space, and a purple dot on the third space.

System 3:

- (relative minor scale): A blue dot on the first space, a purple dot on the first space, a red dot on the first space, an orange dot on the first space, a yellow dot on the first space, a green dot on the first space, a blue dot on the first space, and a blue dot on the first space.
- (minor triad): A blue dot on the first space, a red dot on the first space, and a red dot on the first space.
- (P5): A yellow dot on the first space and a red dot on the first space.
- (P8): A yellow dot on the first space and a blue dot on the first space.
